Sub: Amendment of Clause 22.3-Minimum entry requirement to MBBS, BDS, Nursing and other allied health courses.

Sir,

The Bhutan Medical and Health Council secretariat would like to inform your office with regards to the amendment of minimum eligibility criteria for admission to medicine, nursing and other allied health courses.

In this regard, the issue was discussed in the 10th General Council Body Meeting of Bhutan Medical and Health Council convened on August 11, 2014 and approved the following changes and the amendment clause shall be enforced with effect from 2015 admission (attached).

Subsequently, the Council secretariat has issued public notification. This minimum criteria is one of requirement for medical and health professionals in order to be eligible for registration with the Council after completion of medical and health programs.

Thanking you for your continued support.

Yours faithfully,

(Nima Sangay)
