NOTIFICATION

The Secretariat of Bhutan Medical and Health Council (BMHC) is pleased to notify all registered medical and health professionals that the Secretariat has launched an online system for renewal of registrations with effect from 21/11/2022.

To renew online, registered professionals will have to login to the Health Personnel Management System and apply for the online renewal. The online renewal system will be opened three months prior to the expiry date and will close on the expiry date. Any case of non-renewal of registration within the expiry date will become inactive registration and concerned professionals will require processing re-registration manually with the BMHC Secretariat. Re-registration fee shall be the same amount as the initial registration fee structure stipulated in the BMHC Regulations, 2005.

Further, the BMHC Secretariat would like to inform all registered professionals to update your credentials on the Health Personnel Management System as the payment gateway will be directed to your provided e-mail. The BMHC Secretariat hopes that this online service will ease the renewal process and pave the path to further digitalization of our services.

For any clarifications, please contact our office at bmch@bmhc.gov.bt / +975-2-339159 or Focal Official - Leki Dorji, Program Officer at ldorji@bmhc.gov.bt / +975-2-331102
