

List of Education Consultancy and Placement Firms (ECPFs) and their details as of August 1, 2023

“IF YOU ARE LOOKING FOR A RECOGNISED INSTITUTION FOR YOUR HIGHER AND TERTIARY EDUCATION OR IF YOU ARE NOT SURE IF YOUR QUALIFICATION WILL BE RECOGNISED IN BHUTAN, YOU ARE AT THE RIGHT PLACE.”

Education Consultancy and Placement Firms (ECPFs) in Bhutan play a crucial role in assisting students who wish to pursue higher studies abroad. Their main objective is to guide and support students in making informed decisions about the choice of programs and institutions outside Bhutan. They are responsible for placing students in recognized institutions worldwide, based on factors such as aptitude, economic considerations, and client preferences.

To ensure quality and protection of student interests, the Higher Education Quality Council (HEQC) and the Bhutan Qualifications and Professionals Certification Authority (BQPCA) oversee and regulate the services provided by ECPFs. The ECPFs are required to adhere to guidelines and a Memorandum of Understanding (MoU) that outline their terms of reference and responsibilities, as well as the roles of HEQC and BQPCA.

ECPFs are responsible for processing student admissions to various tertiary education programs in accredited institutions where the medium of instruction is English. However, they do not facilitate distance education or study center placements.

Some of the key activities carried out by ECPFs include providing accurate information about institutions, advising on employable programs and fees, signing agreements with clients, enrolling students in institutions, monitoring student progress and keeping parents informed, participating in student support activities, arranging alternative institutes if needed, assisting in obtaining graduate certificates and mark sheets, collaborating only with recognized institutions, and organizing events such as consultations, seminars, and education fairs.

Overall, ECPFs play a vital role in facilitating the dreams of Bhutanese students to study abroad by providing valuable guidance and support throughout the process, ensuring they have access to quality education in recognized institutions around the world. The following ECPFs are registered with the BQPCA as on 1st August, 2023:

Sl. No	ECPF	License No.	Proprietor	Office Address	Website	Contact details
